THE LOST-66 & 60-FOUND (= “126”) ANKH: to TIE, LIFE, and LOVE

These are the 3 qualities advanced to explain the “ANKH” by our researches into our ancient past. We observe above that these associations are maintained in the depths of the relations of the “Arch of Words and Numerals”. Because of the spell and numeric values of “ANKH” it appears in association with the 4×4 “magic” square in which each vertical, horizontal, and diagonal line reaches the sum of “34”, which is the numeric sum of “ANKH” ($1+14+11+8$) and the word “TIE” ($20+9+5$). However, when the “first” and “last” units of “36”

(36-child/oil , that **rise-“51=Adam-19+32-Eve”** as the 36th

composite 52-Earth and the 36th prime 151-ChristJesus)

are joined as the “beginning” and “end” and “alpha” and “omega” we find the ANKH-34 as the inner content of the unity of 1 and 36, that is, the “tie” of the first (“1”) plus the 36th (the last “1”) that equals two, leaving “34” remaining within. This Ankh of 36 is the same 36 found in the center-midst of the self-aware eyes of 71-Moses as **71 = “35-eye/image” + 1(36th “child, oil”) + “35-eye/image”**. ($35 = 17\text{-lad} + 1(18\text{th “head”}) + 17\text{-lad}$)

Providing further direction is the fact that where 36 equals “child”, tying the “first” into the “last” provides the inner relation of **34**, $2 \times 17\text{-lad}$. But again, beginning with the “ANKH” at the length of “36”, by tying and withdrawing the “first”, the “last”, and also the “**65**-center/midst”, there comes (even as $71\text{-Moses} = 71\text{-sperm}$) in contraction a new generative remainder, the “**33**-seed” (**16 + 1(17th “lad”) + 16**) for new growth and new accretion of the “center/midst”, a 2nd appearance in **165**-resurrection. (**165** carries within its center-midst a core of “**83**-wisdom” per $82 + 1(83\text{rd}) + 82 = 165$.)

The logistics in continuance of this line of “ANKH” cycles are revealing, however, we conclude this exposition with the “Tie-34” of the logistics of two ANKH’s and their inner ANKH’s by “knowing him in all your ways”

Proverbs 3:**5-6** ; Hebrew phrase = **1568** = 7×224 [$4 \times 56 = 224$])

“In all of your ways, know me and I will straighten your path.”

“In all of your ways I will straighten your path.” (**English:** = “**526**”)

“1” (“ONE-34”) and (“ANKH-34”) Being The Furthest Point From Infinity

The 34th ANKH Includes the 1st and last units of 34 plus the **32-Life** units of the 2nd to 33rd.
 Unit number “two-58” bears relation to “58-**Father**” and unit number “33” = the
 “32nd-**Life**” unit that bears relation to “33-**Seed**, Amen”. In summation the
 “**Father-Seed**” is sealed within the “36th ANKH” that is sealed within the “34th
 ANKH” of “34-ONE”.

More may be uncovered from these layers in the Onion or Apple of God, to be revealed as the spirit of God reveals. But to close, this 33rd unit in the 34th Ankh, which represents the furthest square point from infinity, by its inner logistics, represents “seed”, and “Amen” that links to “World-72 33-Seed” that equals 105-Individual/Messenger. This “105” appears as a septenary (i.e. “7x 15-face”) aspect of the 8 multiples of the “face-15” of God (8x 15 = 120-understand/Episcopalian). These 7’s and 8’s are the participants in the 7 ways of 8, the two 7th day and 8th day “Sabbaths”, the natural “7” and the supernatural “8”, and finally the 7x8 relation intimated in Proverbs 3:**5-6** ; the Hebrew phrase = **1568** = 7x **224** [4x**56** = **224**])

“In all of your ways, know me and I will straighten your path.”

“In all of your ways I will straighten your path.” (**English:** = “**526**”)
